Dear Friends:

"Matching generosity with generosity"

Friday, April 3, is the 20th *yahrzeit* of Jeffrey David Walerstein, may his memory be a blessing, beloved son of Ronald and Gail Walerstein. In his memory, the Walersteins have performed countless acts of kindness and generosity for our OJC community. Over the last several years, the Walerstein Scholarship Fund has provided numerous families in our community with the assistance necessary to provide a Jewish education to their children through our Religious School.

In recognition of the struggle that many families are enduring through these difficult economic times, and in perpetuating the memory of their son in our community, Ronald and Gail Walerstein are offering to match our generosity with theirs. The Walersteins are donating \$2000 into the fund; but additionally, they will match every dollar donated to the Walerstein Scholarship Fund between April 7 (Jeffrey's birthday) and July 15, up to \$20,000 (for a possible total of \$40,000). These funds will ensure the continued financial success of our Religious School, and will assure the families of our synagogue that the resources are available to make their children's education affordable.

May we all be inspired by the Walersteins' generosity, and may we all join in honoring the memory of Jeffrey David Walerstein in a way that allows his soul to remain a part of the bond of our lives.

Sincerely,

Rabbi Craig Scheff
