CLASS PARENTS AND HELPERS 2009 - 2010

As always, teachers, students, and administrators are only part of what keeps our school going. We also need the help and involvement of our parents. We have an OJC Religious School PTA and encourage all of you to participate. The first step is to establish a network of class parents/helpers to help with phone calls, special programs and class projects.

If you are willing to help as a class parent or with other projects, please fill out the form below and return it to the OJC Religious School Office to the attention of Stacy Weiss.

Also, please let us know the best way to contact you, either at home, work, cell phone or email.

Thanks in advance for your help,
The OJC Religious School Board
