Study Talmud the classical way!

Join Rabbi Scheff and Rabbi Drill this year to study the Babylonian Talmud, "*Masechet Berakhot*."

In the study tradition of *Havruta* (partnered learning) and *Shiur* (class lesson) we will make our way, line by line, through the Talmud tractate called "Blessings."

Three Wednesday evenings per month following evening minyan, beginning October 29, 2008.

Students will be purchasing a copy of the volume of the Babylonian Talmud, "*Masechet Berakhot*" with English translation.

No experience necessary. Everyone welcome!
