We appreciate your help!

OJC Welcomes The Old and The New!

On Tuesday morning, September 25, the morning minyan celebrated the arrival of a newly restored Torah.

The restoration was the result of seven months of work, as Scott Berlant, Elinor Singerman and Lilyan Berlant secured, repaired and donated the small Torah for use in our Daily Chapel. The Torah was formally dedicated during our Simchat Torah celebration.

Two days later, the OJC community celebrated the commencement of the Dr. Seymour Cohen Torah Project. On the heels of Simchat Torah, the first letters of the "new" new Torah were inked on their parchment in grand celebration."

Please visit the new [Dr. Seymour Cohen Memorial Torah Project section](#) of the website for more information on this wonderful event.
